

PITOT STATIC HOSE-KITS

Reliable products with outstanding service to ensure continued customer success.

SIMPLIFY

- ✓ Pre-configured kits for 2- and 3-channel testers
- ✓ Optimized lengths for all aircraft types - GA to commercial
- ✓ Faster setup. Less hose reconfiguration.

PERFORM

- ✓ Engineered hose routing for stable pressure response
- ✓ Dedicated configurations by aircraft category
- ✓ Balanced line distribution for consistent testing

PROTECT

- ✓ Threaded AN fittings for repeatable sealing integrity
- ✓ Controlled routing with reducers & Tee fittings
- ✓ Built for repeated hangar and ramp use
